SUPERVISORY PATENT EXAMINER

Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

Item 7 - Other reasons for holding abandonment: After six months of the expiration date (05/04/2003), examiner called the applicant's representative, Stanley D. Ference, on 12/03/2003, for informing the case would be abandoned, and requiring to provide a certificate of mailing (postcard receipt). The representative faxed the amendment to examiner on 12/06/2003, without providing a certificate of mailing. Examiner called back (at the same date) to inform the representative that the evidence is not sufficient and the office needs a proof of a certificate of mailing, such as postcard receipt. But there was no response from the representative then. Moreover, examiner called the applicant's representative, Stanley D. Ference, and left message about abandonment of this case and requirement of postcard receipt, on 02/03/2004 and 02/05/2004, respectively, but no response is returned. So, examiner decides that the case is abandoned with this office action..
